

TOWN OF CLARKS HILL  
TOWN COUNCIL MEETING  
January 06,2025  
6:30 PM  
COMMUNITY BUILDING

OFFICERS PRESENT: Carla J. Stearns President, Marilyn Brad Warf, Kevin J. Martin.

OTHER OFFICERS: Diana L Luper, Clerk/Treasurer, Scott F. Fisher CHPD, Andy Doke Water and Sewer Superintendent, Bruce A. Luper Community Building & PT Utilities.

OTHERS: Maureen Hayden Commonwealth Eng. Bev Holiday, Carolynn Houchens, Kathy Vernon, Clark Whitley, and Sherry Sumners.

Carla called the meeting to order.

Carla moved to suspend the reading of the minutes and approved of the minutes as written. Kevin 2<sup>nd</sup> it.

Carla welcomed Maureen Hayden from Commonwealth. She stated that they had a good meeting with Lauramie Township Sewer District. But they decided not to combine with us on the Sewer plant. They feel they would not want to go into debt at this time. They want to keep it open. But decided it wouldn't be. good time for them.

Andy also believes the door is still open. Andy would like to know for sure if Commonwealth is still doing the PFAS phase. Maureen will take it back to Rob.

Carolynn is still confused about the amount we are taking in on Water and Sewer. She stated she thinks we are taking more in on water than sewer. She thinks something is wrong. Carla will investigate it.

Carla stated that we are doing the first reading of the New Sewer increase.

Carla did the first reading tonight and the 2<sup>nd</sup> reading will be Feb 3,2025 meeting.

Brad would like to thank Scott for his work with the junk cars around town. It is looking better.

Maureen stated that we would need to do public notice in the paper 10 days before the next meeting. She will go with Diana on this.

Kevin Stated that he has been in contact with the Animal Control Officer of Tippecanoe County. They will be trying to come out twice a week. About the dogs running around without leashes. He also stated that if anyone has a dog running around to call dispatch.

If they are picked up by Animal Control and are taken in. There will be a \$250.00 fine just to start with.

Brad will post this on Facebook.

Questions were brought up about the park. Are we taking dirt out? Or are we needing more dirt brought in? Clark will investigate seeing if we need it compacted before the new park equipment is put in. The timeline for the park looks like May of 2025.

Andy will be sending a letter to IDEM about the town testing Phosphorus. We will see if we can get an extension to this.

Andy also stated that he is working with Jay Busse about getting the rest of the new meters put in.

Scott: stated that the police car is still in the shop. They think it is the 7 pistons. It looks like a new engine. It is still under warranty. He will contact them tomorrow to see if he can find anything out.

Carla asked if there was anything else? Hearing none.

Carla moved to adjourn the meeting. Meeting Adjourn and Brad 2<sup>nd</sup> it.
